

# Lead Your District's AI Future with Confidence

## Join the SY27 PEA<sup>2</sup>K Cohort

The Partnership for Educators Advancing AI Knowledge (PEA<sup>2</sup>K) empowers district teams from across Massachusetts to design thoughtful, equity-centered AI plans that support future-ready implementation

### What You'll Gain

- **Readiness Framework:** Evaluate your current AI integration to elevate strengths, gaps, and goals
- **Strategic Roadmap:** Develop a concrete, actionable plan for the upcoming school year
- **Expert Coaching:** Tackle your specific district barriers with dedicated problem-solving sessions
- **Toolkits:** Access to vetted templates and resources aligned with DESE AI Guidance
- **Peer Network:** Join a powerful community of practice
- **MassCUE Fall Conference 1 Day ticket** for team members

## Start the Process

[Sign up for an information meeting](#)  
May 27 & June 11, 11:00 - 11:30am

### How it Works

- **Team:** Up to 8 leaders & teachers per district
- **Meetings:** In-person PEA<sup>2</sup>K Launch Day + 6 virtual, 2-hour sessions
- **Support:** 3, 1-hour coaching sessions per district team
- **Timeline:** 8 months: October 2026 - May 2027
- **Cost:** \$8,950 per team

*Developed by MassCUE & Throughline Learning. Facilitated by Throughline Learning.  
Supported by the UMass Lowell AI Teach Co-Design Lab.*
